

I am delighted to offer my support for your efforts to raise funds for Cancer Research UK.

Scotland is of course world famous for golf and I admire your ambition to play even the smallest and most remote courses.

I hope that you succeed in raising as much as possible to help research into cancer.

A handwritten signature in black ink, reading "Catriona Matthew". The signature is written in a cursive style with a large, sweeping flourish at the end of the name.

Catriona Matthew MBE
